*Purchase Blickrylic paints at DickBlick.com

BE THE LIGHT PAINTING

TEMPLATE GUIDE

Using The Printable Tracing Template

1. Print your template on 8.5x11" copy paper.

When printing:

- Ensure the Scale is 100% (in More Settings) and that Fit To Page is off.
- Check that the preview looks correct before printing.

2. During the paint-away, I will show you how to use the white graphite paper to transfer the outline onto the canvas.
